The total healthcare market in the U.A.E. is valued at an estimated $15 billion and is growing at an estimated 11% per year. The fastest growing market sectors are pharmaceutical, medical device and medical tourism, but virtually every category in the market is expanding to serve the region’s dynamic healthcare needs.

Arab Health is the largest and most influential healthcare industry event in the Middle East. Capitalize on this important industry opportunity to grow your share of U.S. medical equipment and healthcare products and services to the U.A.E.

The United Arab Emirates (UAE) represents a major market for U.S. exports and serves as an important regional hub for American companies conducting business throughout the Middle East, Africa and South Asia. Owing to rapid expansion of bilateral trade in recent years, the UAE has overtaken Saudi Arabia as the largest market for American products in the Middle East.

WHY DUBAI IN 2017?

In 2016, Arab Health hosted more than 4,000 exhibitors from 67 countries. During the four-day event, tens of millions of dollars, deals and partnerships were signed onsite.

In 2017, the show will once again attract the world’s leading manufacturers, distributors and service providers to display the latest technologies, innovations and trends, and compete for the attention of decision-makers and influencers in the global healthcare industry.

Displays will cover the full spectrum of healthcare technology including:

- Medical Technology
- Diagnostics
- Commodity Goods for Hospitals
- Surgical Products and Service
- Medical Disposables
- Medical Services
- Imaging and Diagnostics
- Medical Publications
- Laboratory Equipment
- Physiotherapy/Orthopedic Technology
- Information and Communication
- Facility Management
- Healthcare Building Technology
- Radiology
- Cardiology
- Consulting Services in Healthcare
