Dear «First_Name»,

US4 - STAND DESIGN SUBMISSION is due August 2, 2019

As a Space Only exhibitor, you are required to submit the US4 stand design and stand builder details form by **August 2, 2019**. If you have not done so already, please [click here](#) to complete.

Why do I need to submit a Stand Design to Kallman Worldwide??

As part of the USA Partnership Pavilion, we ask as a courtesy that a drawing or plan of the proposed booth installation be submitted for review. We also ask that you include your stand builder's onsite contact information so we can be of assistance if needed during the buildup. We, as the organizers of the USA Partnership Pavilion, want to ensure its overall cohesiveness with our design as well as identify any conflicting items that will disturb neighboring companies. We appreciate your efforts in making Pacific 2019 our best year ever!

Your Exhibition Regulations & Custom Builder Declaration is due August 2, 2019.

As a Space Only exhibitor, it is your responsibility to designate your stand builder via form 1: [Exhibition Regulations & Custom Builder Declaration](#) on the Pacific 2019 Online Exhibitor Manual. By submitting this information, you are allowing your Stand Builder/Contractor access to the Contractor Online Manual.

Your Stand Builder will submit your stand design through their Contractor Online Manual. It is vital you enter your Stand Builder's details ASAP so your stand design can be submitted by the Friday August 16, 2019 deadline.
