

USA PARTNERSHIP PAVILION EXHIBITORS & SUPPORTERS

Exhibitors in the USA Partnership Pavilion represent 12 states, including these dedicated State Pavilions. Each State Pavilion is staffed by knowledgeable state representatives and features multiple state-based co-exhibitors, all committed to building partnerships with you to further national security objectives and strengthen multinational alliances.

ARIZONA #C07

Featured Exhibitors

- Aerovation
- Dillon Aero

“Arizona, home to over 1,200 aerospace companies (OEMs and suppliers at all tiers), invites you to our booth where we feature a diverse group of companies engaged in the following: armored vehicles; precision airdrop systems; autonomous water rescue vehicles; UAV engines; armaments; and aircraft modification.”

Kevin J. O'Shea

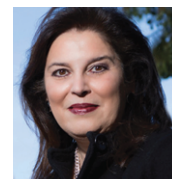

Vice President, International Trade

MISSOURI #C17

Featured Exhibitors

- Triumph Systems
- Essex Industries
- Ultrax Aerospace

“Missouri has a rich history in aviation leading the way in aerospace innovation for nearly 100 years. Today, Missouri builds the F/A-18, EA-18, F-15, T-X Trainer fighter jets, and the unmanned MQ-25 refueling drone at Boeing’s facilities. Statewide, Missouri is home to 100 aerospace manufacturing companies.”

Ann Pardalos

Manager, Missouri International Trade & Investment Office
