# The Partnership CHALET

YOUR CORPORATE HOSPITALITY SOLUTION

# Executive Ease

The Partnership CHALET is *your* CHALET

At the world's great air shows, corporate chalets offer the ultimate executive escape from the exhibit floor, but with a price tag few companies can even consider. The Partnership CHALET provides a solution that makes executive luxury more accessible and affordable.

Comfortable and custom designed, The Partnership CHALET affords you and your team access to an exclusive suite of private and common spaces designed to accommodate your corporate hospitality and executive needs at a fraction of the cost to building your own private chalet.

The secret of affordable luxury is sharing but with personalized, concierge-level attention from our professional team we will support your company's needs and budget for *your* perfect fit!

# We Make Things Easy

## Private Meeting Room

Includes boardroom table, seating for six, wall mounted 42' screen with cable connections, custom wall graphics and lockable credenza

## Designated Dining Table

Includes dining table with max seating for six and four-person balcony table with umbrella. Balcony offers spectacular views of the flying displays

# Explore Your Benefits

Experience more as a partnership CHALET participant at the Paris Airshow 2021!

- Superb location, arguably the best in the show!
- Exhibitor listing in the official show directory and the USA Pavilion's virtual Visitor Zone
- Company branding throughout the chalet - From the façade, reception area, meeting room and/or table
- Security at CHALET entry
- Executive staff to greet your clients and provide personal attention to your business needs
- Access to WiFi, color printer, copier, scanner and cloakroom storage
- Hospitality lounge for brief informal meetings - also serves as a waiting area for your VIP guests
- Generous complimentary allocation of exhibitor badges
