

Drawing Approval

Form 4

Due Date
2019. 8. 19(Mon)

Company Name :		Booth / Chalet No.
Address		
Tel :	E-mail :	
Contact Person :	Job Title :	
Signature :		

1. Exhibitors who book outdoor/indoor raw space and chalet have to submit this form with drawings to the organizer.
2. The drawings are 3D perspective, elevation, floor plan, layout of electricity, and flame retardant documents issued from the fire station. Dimensions are required to fill out on your drawings. If there is **no dimension**, the organizer will consider the drawings as '**not submitted**'. In your drawings, booth and/or chalet number and exhibitor name should be written down.
3. All exhibitors must obtain drawing approval from the organizer to start construction work.

Pledge for booth/chalet construction

I am fully informed of Exhibitor Manual regarding the booth and chalet construction at Seoul ADEX 2019 and hereby pledge to bear any disadvantages including construction halting in case I do not abide by the regulations of the manual.

Name : _____

Signature : _____

Date : _____

Agree

Disagree

※ You can start construction for your booth and chalet after the approval from the organizer.

Drawing Approval by the Organizer

The organizer approves the drawings submitted by the contractor above.

Name : _____ (signature)

Date : _____
