MINING AND TECHNOLOGICAL EXHIBITION FAIR EXTEMIN

EXHIBITORS' RULES AND REGULATIONS

The **EXTEMIN Mining and Technological Exhibition Fair** (hereinafter, "EXTEMIN"), specialized fair for the mining industry, is a technological exhibition held as part of **PERUMIN - 34th Mining Convention** (hereinafter, the "Event"), organized by the Peruvian Institute of Mining Engineers, hereinafter referred to as **THE IIMP**.

These Exhibitors' Rules and Regulations are an integral part of the Assignment of Use Agreement signed by **THE IIMP** with those who will exhibit their goods and/or products at **EXTEMIN, directly through THE IIMP or the International Operator**, hereinafter, in either case, referred to as **THE EXHIBITOR**. **THE EXHIBITOR shall act** pursuant to the provisions of this document for the normal development of its participation, undertaking to comply with all its regulations. The contractual relationship established between **THE EXHIBITOR** and **THE IIMP** for the exhibition of goods and/or products and the assignment of use of Modules, comprehends what is established in these Exhibitors' Rules and Regulations and in the Assignment of Use Agreement signed to this effect, as well as any other provision issued by **THE IIMP** in its capacity as the Event's organizer. **THE EXHIBITOR** is obliged to return one (1) copy of the Assignment of Use Agreement duly signed.

1. IIMP: The term **Institute** or **THE IIMP** used herein refers to the Peruvian Institute of Mining Engineers, its offices or employees who represent it during the organization of **EXTEMIN** and the Event.

2. VENUE AND DATE: To be held in Arequipa, from September 16 to 20, 2019, at Centro de Convenciones Cerro Juli, located at Campo Ferial Cerro Juli s/n, Jose Luis Bustamante y Rivero, province and department of Arequipa.

3. EXHIBITION HOURS*

- Monday 16 12:00 p.m. - 6:00 p.m.
- Tuesday 17 9:00 a.m. - 6:00 p.m.
- Wednesday 18 9:00 a.m. - 6:00 p.m.
- Thursday 19 9:00 a.m. - 6:00 p.m.
- Friday 20 9:00 a.m. - 1:00 p.m.

*There will be special hours for schoolchildren, university students, professionals and general public, so the **EXHIBITOR** shall consider the distribution of its material (brochures, flyers, inserts, etc.) with an educational approach aimed at these segments.

4. HEAD OF EXTEMIN: Person responsible for ensuring compliance with EXTEMIN's provisions, representing **THE IIMP** in all cases before **THE EXHIBITOR**.

5. THE EXHIBITOR: Any Peruvian or foreign individual or legal entity incorporated in Peru or abroad, who enters into an Assignment of Use Agreement with **THE IIMP** in order to be assigned a space including one (1) or more modules (hereinafter, "Modules") at **EXTEMIN**.

Refers to the Chambers of Commerce, Embassies, Consulates or any international entity acting as a representative of its country of origin before EXTEMIN and that is willing to participate in EXTEMIN, either by themselves or by calling companies, associations, unions or similar related to mining activities in their country of origin to participate as exhibitors in EXTEMIN (hereinafter, "Indirect Exhibitors").

THE EXHIBITOR, in its capacity as International Operator, shall be the sole responsible for the obligations undertaken, under any title, with Indirect Exhibitors. In such a way that no relation whatsoever shall bind **THE IIMP** with the Indirect Exhibitors under the obligations or rights held by **THE EXHIBITOR** and Indirect Exhibitors. Therefore, **THE EXHIBITOR** undertakes to hold **THE IIMP** harmless from any claim, contingency, sanction or otherwise, arising from any relationship that may be established between **THE EXHIBITOR** and Indirect Exhibitors. Leaving open the possibility for **THE IIMP** to go against **THE EXHIBITOR** if it is involved in any of the above-mentioned assumptions.

On the other hand, **THE EXHIBITOR**, as International Operator, shall be jointly and severally liable for any contingencies, breaches, damages and other events that may arise as a result of Indirect Exhibitors' actions at EXTEMIN and at the Event, from the time of communication notifying the Indirect Exhibitor's participation until the end of it, assuming all **THE EXHIBITOR**'s obligations.

6. EXHIBITORS ADMISSION. **The IIMP** reserves the right to accept the participation of any company, product or service in EXTEMIN, based on the Event's policy. For this, any of the interested parties may visit **THE IIMP** offices to request additional information and learn about all the conditions and guidelines regulated herein in order to evaluate their admission to the Event.

If any interested party intends to participate as an exhibitor at the Event, prior evaluation by **THE IIMP**, it shall sign an Assignment of Use Agreement (hereinafter, the "Agreement"), which shall generate a first invoice corresponding to the first payment for the Module. Once **THE EXHIBITOR** receives the invoice, it shall have up to seven (7) working days to pay it. After this period, in case of non-compliance, **THE EXHIBITOR**'s registration to the Event shall be cancelled, losing all right of participation, as well as any amount of money paid as partial or total advance for the Modules.

THE EXHIBITOR intending to exhibit heavy and large equipment such as tractors, forklifts, trucks, etc. in its respective module, shall coordinate with **THE IIMP**, and comply with the schedules specifically set for this purpose, in order to assess the feasibility of admitting all its equipment to the fairgrounds, prior to its registration as exhibitor of the Event.

7. MODULES CHARACTERISTICS. EXTEMIN has indoor and outdoor module categories (hereinafter "Module"). Module is the unit of measure that is determined for the assignment of space. A Module is the exhibition area contracted by **THE EXHIBITOR and assigned to it**, comprising one (1) or more Modules. For further details, see the corresponding annex for Module characteristics by category.

Failure to comply shall lead to the automatic termination of the Agreement and return of the duly vacated Module to **THE IIMP**. The amount paid by **THE EXHIBITOR** shall be retained by **THE IIMP** as a penalty for non-compliance with the provisions of this paragraph.

The contracted area may only be transferred or subleased by **THE EXHIBITOR** if the latter is an International Operator, pursuant to these regulations. In this case, the automatic termination and the penalty for breach shall not apply, provided that the assignee or sublessee complies with the provisions set forth in the Agreement and in these regulations.

9. EXHIBITOR'S REPRESENTATIVE Each exhibitor shall designate in writing, during the registration process, a representative before **THE IIMP**. **THE EXHIBITOR** recognizes henceforth as valid any formalities, requests or agreements made by its designated representative on its behalf before **THE IIMP**.

10. EQUIPMENT AND SAMPLES EXHIBITION. The exhibition of running equipment and samples shall be notified by **THE EXHIBITOR** to **THE IIMP**, prior to signing the Agreement, to obtain the authorization by the Head of **EXTEMIN**, which shall be granted only if these do not represent any danger or inconvenience to participants, visitors or fairground facilities, according to safety criteria provided by **THE IIMP**. In that case, **THE IIMP** shall inform **THE EXHIBITOR** about the areas where such running equipment may be exhibited and the rules to be followed. The entrance and exit of goods is not allowed once **EXTEMIN** is open to the public. In addition, heavy machinery is not allowed in the Interior Halls, nor in any other that is not specifically designated for this purpose by **THE IIMP**.

The use of musical instruments and sound amplification equipment is strictly prohibited, except during audiovisual presentations, in which case the volume may not exceed 70 decibels and shall not interfere with the normal development of EXTEMIN, at THE IIMP's discretion. Notwithstanding the foregoing, **THE IIMP**, in its capacity as organizer, reserves the right to set a different number of decibels during the Event. It is strictly prohibited to play music at the Modules. **THE EXHIBITOR** shall assume total and exclusive responsibility for any infringement committed against APDAYC, UNIMPRO or any other copyright collective management society, as well as any other fiscal entity related to such rights; and undertakes to keep **THE IIMP** harmless from any sanction or damage caused by **THE EXHIBITOR**'s actions.

11. TEMPORARY IMPORT. The import of samples for exhibition shall be allowed as temporary import, and **THE EXHIBITOR** shall be responsible for complying with current customs legislation.
We suggest to do this at least four (4) months in advance.

12. DIRECT SALES. Retailing is not allowed, that is, delivering products during the exhibition or at the venue of the Event.

13. MODULE SERVICE. THE EXHIBITOR is obliged to open its Module, every day, half an hour before opening to the public and to have sufficient staff until the closing of the Event. **THE EXHIBITOR** shall provide the Head of **EXTEMIN** with the identification details of staff who will be in charge of its Modules, as well as their replacements, if any. No underage staff is allowed. For control and sanitary reasons, eating food in the Module is strictly prohibited.

13.1 MODULE STAFF. THE IIMP, in order to safeguard the image of PERUMIN - 34th Mining Convention and ensure quality standards of **EXTEMIN** - of which **THE EXHIBITOR** is part -, establishes the following parameters to be considered regarding staff who shall be in charge of public attention at **EXTEMIN**:

Image:

During the service shift, staff in charge of attention to public shall show order, good manners, service-oriented attitude towards visitors, and dress soberly according to the professionalism and seriousness of the event and

company they represent. The clothing can incorporate the EXHIBITOR's company colors and shall be paid for and directly provided by it to its hired personnel.

THE IIMP may observe the attire of those persons appointed by the EXHIBITOR for public attention at the stand, so as to ensure the sobriety of the event.

Personnel hired for the host service will not be allowed.

Volunteers:

In this edition, young people will be key players of Extemin. **The EXHIBITOR** shall be in charge of volunteer personnel for the module, which shall be previously trained by such company in order to offer information to the attending public.

13.2 DISTRIBUTION OF ALCOHOLIC BEVERAGES. If the **EXHIBITOR** wants to offer beverages during Extemin, it shall consider the following:

- Inform the **IIMP** about its intention to do this, in order to obtain the corresponding authorization.
- Alcoholic beverages can be offered only from **12:00 p.m. to 1:30 p.m.** and from **5:00 p.m. to 6:30 p.m.** No other schedule is allowed under any circumstances.
- To this end, **THE EXHIBITOR** shall only make use of the services of the concessions located within the event's venue. No external catering providers shall be allowed.
- The beverages permitted are beer and wine.

14. DISTRIBUTION AND/OR DISPLAY OF PROMOTIONAL MATERIAL AND PUBLICITY. Distribution and/or display of promotional and/or advertising material shall only take place within the space available in **THE EXHIBITOR's** Modules. Costumed characters are not allowed to wander around the fair area nor to be located at the fairground entrance, handing out flyers. Likewise, the presence **THE EXHIBITOR's** staff is not allowed in the hallways or elsewhere outside the Modules.

The use of inflatable advertising elements or any other type inside or outside the premises shall be previously approved by **THE IIMP**. In case of non-compliance with this clause, **THE EXHIBITOR** shall pay **THE IIMP** a penalty of thirty percent (30%) of the value of the leased area, and in the case of sponsors, they shall also lose all their benefits.

Similarly, they shall not display promotional material that has been prohibited under current legal provisions or for violating national sovereignty, public order and good morals. Political propaganda or any other activity unrelated to the business or services offered, and not strictly related to the purpose of the Event, is strictly prohibited.

Sweepstakes and raffles promoted by exhibitors shall have prior authorization from the Head of EXTEMIN and shall comply with current legal provisions; to do so, they shall be informed two (2) months in advance for security, approval and internal control purposes. Such sweepstakes or raffles may only be held within the Modules area, and participants shall not be located at the hallways or other areas of public circulation and/or common use. **THE EXHIBITOR** shall assume full and exclusive responsibility for any infringement resulting from such raffles or sweepstakes, and undertakes to hold **THE IIMP** harmless from any sanction or damage arising from **THE EXHIBITOR's** actions, including from those attending the Event with whom they entered into contracts.

15. DESIGN AND IMPLEMENTATION OF MODULES AND EXTERIOR AREAS. **THE EXHIBITOR** who has contracted interior and exterior modules and wishes to build, implement and / or decorate his stand through a third company that provides said services, must hire the official suppliers chosen by **THE IIMP**.

Official Suppliers:

The IIMP will publish through the website of the event the list of official suppliers for the implementation and decoration of the modules. The entrance of suppliers that are not registered in the official relationship provided by the IIMP will not be allowed

Assembly dates (implementation and decoration) *

- The start of assembly of outdoor areas will be from 08.00 a.m. of Tuesday, August 27 and for interior modules will be from 08.00 a.m. Thursday, September 5.

- The assembly of all the areas and modules will be completed on Sunday, September 15 at 6:00 pm, after which time the waste material will be cleaned and removed. It will be totally forbidden the entry of elements or the realization of works of any kind for the decoration and / or implementation of the Modules from 00:00 hours on September 16, 2019, except for any exception expressly established in this document.

** Preliminary dates to be confirmed*

In the event that, **THE EXHIBITOR** requires the services of stand construction, you must hire an official supplier who will be responsible for requesting the corresponding approval of the design you wish to develop, before June 28, 2019 (architecture, installation plans) electrical and structural, which must be duly signed by responsible professionals), in order to obtain the approval of **THE IIMP**.

- In Halls B, C, D, E, F, G (6 and 9 m² Modules), the maximum height allowed for any decorative element is 2.50 meters and the side of the Module next to that of the neighbor shall be smooth, flat, solid and sober in white. Under no circumstances shall it be allowed to exceed the established dimensions.
- Outdoor Modules shall comply with the maximum height for decoration, which is 8 meters, and its design shall have been approved by **THE IIMP**.
- Light poles sometimes placed on the edge of the outdoor modules may not and shall not be used by **THE EXHIBITOR** for its decoration, as a support or for placing promotional material.
- The use of advertising elements, hot air balloons, inflatable elements, or similar, and/or lighting equipment, moving heads or similar with a beam of light and/or inflatable element beyond the limits of each Module, is strictly prohibited. It is hereby established that the use of advertising elements, hot air balloons, inflatable elements, or any similar shall be previously approved by **THE IIMP**, according to these regulations.
- The assembly (decoration) of outdoor Modules shall **start at 8:00 a.m. on Tuesday, August 29; and at 8:00 a.m. on Thursday, September 7, for indoor Modules.**
- It is forbidden to nail, paint, use staples, bedbugs, glue on the panels. Any modification will be paid by **THE EXHIBITOR**.
- **THE EXHIBITOR** shall verify, before signing the Agreement, the posts drawing to be provided by **THE IIMP** and which is duly included in the Institute's website. Therefore, **THE EXHIBITOR** shall specifically verify whether or not there is any post or roof support column within the selected Module, in order to take the necessary measures.
- The implementation and decoration of the modules is the responsibility of **THE EXHIBITOR**. The furniture, accessories and other decoration elements must be presented in optimum conditions, flammable material should not be used and the applicable safety regulations must be respected at all times. **The IIMP** will have discretionary authority and faculty so that, in order to maintain the security, order and image of the Event, it may order, if deemed necessary, the replacement, relocation or new decoration of the elements implemented in the Modules, at the cost of EL. EXHIBITOR, without requiring prior authorization.

THE EXHIBITOR and the official suppliers must respect the indicated access roads for the transit of materials and / or equipment that are required for the construction, implementation and / or decoration of stands. All transit over green areas is strictly prohibited.

16. RESPONSIBILITIES THE IIMP shall not be held liable for the non-compliance of any of its obligations due to unforeseeable circumstances or force majeure. To these effects, unforeseeable circumstances or force majeure

shall be understood as a non-attributable cause consisting of extraordinary and unforeseeable circumstances hindering the provision of services or leading to late, defective or partial compliance. Such events include fires, earthquakes, tsunamis, landslides, avalanches, floods, storms, torrential rains, explosions, conflicts or internal or external wars, civil commotions, blockades, acts of terrorism and sabotage, unmanageable delays in transport, strikes and any other similar or different cause, noting that this list is merely illustrative and non-restrictive, and thus includes any circumstances out of the parties' reasonable control and that could not have been foreseen or that, having been foreseen, could not be prevented, as well as any losses or damages caused to **THE EXHIBITOR's** samples, equipment, tools and decoration materials for accidents; for any accidents that **THE EXHIBITOR's** own or

17. ACCREDITATION OF PERSONNEL FOR THE PERIOD OF ASSEMBLY AND DISMANTLING. The IIMP is responsible for managing all the requirements corresponding to its accreditation for the entry and exit of its personnel during the assembly and dismantling dates in front of the official suppliers. In that sense, all official providers selected by the IIMP will have the corresponding accreditation.

If THE EXHIBITOR requires to manage the income of its staff and / or personnel income in charge of the transfer / transport of materials, you must send to the IIMP, no later than July 12, 2019, the list with the full name and ID of said personnel, in order to obtain the credential that allows them to freely transit during the dates of assembly and disassembly of the module. These credentials will be sent to you together with the invitation cards to the Event.

18. BADGES AND INVITATION CARDS. The Assignment of Use Agreement gives right, per Module, to one (1) registration to the Event and grants free access to the Mining Convention, EXTEMIN, multipurpose rooms (as long as the presenting company is not restricting the access) and social activities, "CONVENTIONIST badge". Two (2) Permanent Passes or Badges "EXTEMIN EXHIBITOR", which grants free access to EXTEMIN during the exhibition days. Thirty (30) Invitation Cards, valid for a single entrance to EXTEMIN fairground; six (6) per each day of the week. The "EXTEMIN EXHIBITOR" badge and Invitations do not give right to access the Convention area nor its social activities.

It is essential to complete a Registration Form for each participant, indicating registration category (Extemin Conventioneer, Extemin Exhibitor, or Extemin Additional) and send it no later than May 31, 2019 to the Convention's Registration Department. Without this information **THE IIMP** would not be able to process the registration.

Invitation Cards are valid for a single access, and shall be sent with due anticipation to the addresses indicated in the Agreement, so that they may be distributed to clients. It shall be considered that minors and pets are not allowed at the Event. In the case of international hall exhibitors, Invitation Cards shall be sent to the International Operator of each country.

CONVENTIONIST and EXTEMIN EXHIBITOR badges are personal and non-transferable, and shall be visible at all times during the Event. Access to the Event shall not be granted without a badge. These badges shall be collected at the Registration Office located at the main entrance to the fairgrounds. For convenience, we recommend to do so **from August 1 to 31, 2019**, from 9:00 a.m. to 5:30 p.m. at the IIMP offices at Los Canarios 155 - 157, La Molina - Lima, in order to avoid traffic congestion in Arequipa. Badges shall be worn every day of the Event. The replacement of a lost or stolen badge shall have an additional cost of US\$ 30.00 (thirty American dollars).

19. HALL MANAGER He/she represents in all cases, within the corresponding area, the Head of EXTEMIN before **THE EXHIBITOR** and attending public, and is the person responsible for ensuring compliance with EXTEMIN provisions during assembly, implementation, duration and disassembly activities in the Event.

20. ASSEMBLY. All decorative and exhibition material such as merchandise, packages, leaflets, equipment, laptops and other support items shall be admitted to the premises along with an entry note issued in three copies by **THE EXHIBITOR**, which shall be stamped by the Head of Security appointed by **THE IIMP**, otherwise such material shall not be admitted into the premises. This document is also essential in order to pick up these elements from the fairgrounds. Heavy trucks are allowed to enter the fairgrounds, only from September 1 to 10 from 08:30 a.m. to 4:00 p.m.; no exceptions can be made to these dates and times.

The maximum permitted load is thirty (30) tons including the transport vehicle (load + truck). Any equipment or elements that may potentially damage the venue infrastructure shall not be allowed.

Only workers wearing personal protective equipment, hard hats, boots, gloves, glasses, harnesses, etc. shall be allowed to enter the fairgrounds for assembly purposes. **THE EXHIBITOR** shall be the sole responsible for any harm suffered by its personnel, subcontractor personnel or third parties at the premises, Modules or areas in use by other exhibitors or participants of the Event, any third party and its own property.

We recommend the use of double-sided self-adhesive tape, nylon thread and/or any supports similar to curtain hooks to hang the display elements in order to avoid damaging the walls of indoor Modules. **THE EXHIBITOR** shall, in all cases, be responsible for having all the accessories, implements and tools required for assembly. In order to strictly observe safety and environmental standards, construction works are not allowed in the exhibition

Areas, within halls B, C, D, E, F, G, including welding, spray-painting, and any activities with similar products. Therefore, pre-fabricated elements shall be used, since only assembly, retouching and furnishing works shall be authorized. In case of non-compliance, **THE IIMP** is entitled to request stopping the work, and if this infringing behavior continues, **THE IIMP** may terminate the agreement with **THE EXHIBITOR**, which shall lose any amounts disbursed to **THE IIMP**.

Decoration works shall end on Sunday, September 15, 2019 at 6:00 p.m. After this time, a penalty shall be charged to all exhibitors according to the following schedule:

No fitting-out works shall be allowed during exhibition hours, therefore, if **THE EXHIBITOR** has not finished, it may resume only after the daily closing, prior coordination with the Hall Manager, and shall pay a penalty of 20% of the value of the rented modules within twenty-four (24) hours after completing these works. All Modules shall be kept assembled until the end of the exhibition, so early removal of any exhibited product or decoration elements is strictly prohibited.

The use of devices and/or portable radio transmitters or any other electronic equipment within the fairground is strictly prohibited without prior authorization from the Head of EXTEMIN, since their use may interfere with telecommunication signals installed for the Event.

21. DISASSEMBLY AND REMOVAL OF MERCHANDISE. Modules shall be disassembled from Friday September 20 between 2:00 p.m. and 11:00 p.m. (only light equipment) by hand and/or using mobile trolleys provided by **THE IIMP**; no vehicles may enter to pick up any merchandise or goods. On Saturday 21st and Sunday 22nd of September from 7: 00 a.m. to 8:00 p.m. vehicles may enter to pick up merchandise or goods.

Without obstructing any passages, **THE EXHIBITOR** shall disassemble its Module and leave the space on the same conditions received, i.e. all elements used for the Modules implementation, including any waste and discard shall be removed.

In order to pick up any material from the fairground, **THE EXHIBITOR** shall fill in the "Merchandise Pick-Up" Form, which shall be provided by the Hall Manager before the end of the Event. This document, once filled in with the respective information, shall be endorsed by the Hall Manager, after checking and comparing with the entry note of materials to the premises, which is an indispensable requirement for the Event's Security staff to allow the removal of materials by **THE EXHIBITOR**.

Once the disassembly works are completed, all installations, constructions, furniture, signs, etc. not removed by **THE EXHIBITOR** shall remain at the disposal of **THE IIMP**, who may freely dispose of them without being obliged to make any reimbursement and **THE EXHIBITOR** shall lose all rights over them. **THE IIMP** shall invoice **THE EXHIBITOR** a penalty of 10% of the value of the rented area for damage, demolition or transfer; for this purpose, **THE IIMP** shall verify and attach photographs and a report about the cause of such penalty.

22. ADDITIONAL SERVICES PROVIDED BY IIMP. THE IIMP shall provide the following services to **THE EXHIBITOR**:

Power Supply. Electrical power is single-phased, of 220 volts and 60 Hz. The power supplied does not have a power stabilizer, so **THE EXHIBITOR** shall consider this when connecting electronic devices. Each indoor module shall have 1 KW available and one socket, while outdoor modules shall have 2KW per 25m². If **THE EXHIBITOR** requires additional electrical power, it shall be requested until July 5, 2019; after this date, no requirements shall be admitted or answered. **THE IIMP** shall evaluate its feasibility and notify the additional cost to **THE EXHIBITOR**. This cost shall be paid in full before August 9, 2019. **THE IIMP** shall take the necessary precautions for the basic supply of electrical energy, in the event of any interruption of the service supplied by the public network, which is not under the control of **THE IIMP**. Therefore, if this occurs, the basic supply of electrical power shall not entail any kind of liability for **THE IIMP** and shall not give rise to any claim by **THE EXHIBITOR**.

Outdoor Modules shall have a power point with halogen-free vulcanized cable, so the exhibitor shall bring the elements necessary for its installation within the Module. Pursuant to the provisions of *Defensa Civil*, **only vulcanized cables are allowed; the use of twin cables is strictly prohibited.**

- **Furniture** Indoor modules shall be equipped with one (1) round table with metal base, two (2) chairs and one (1) lockable credenza. Outdoor Modules do not include any furniture.
- **Surveillance.** **THE IIMP** shall be in charge of the general surveillance of the premises for all twenty-four (24) hours. However, **THE IIMP** shall not be held liable for the loss of valuable, portable or other objects that are difficult to track, nor for any damage they may suffer resulting from the actions of third parties. Therefore, **THE EXHIBITOR** shall take the necessary security measures to ensure the security of any goods intended to exhibit its products and/or goods.
- **Cleaning.** The cleaning of floors and circulation areas, bathrooms, food areas and common areas shall be in charge of **THE IIMP**. **THE EXHIBITOR** shall be responsible for the cleaning of Modules, but may
- request **THE IIMP** to assist them with the cleaning of Modules, which shall depend on the cleaning personnel availability provided by **THE IIMP**.
