

LAND FORCES 2021 FAQ'S AND LOGISTICAL INFORMATION

Visa Requirements

You must have a valid U.S. passport and a visa to enter Australia. Most U.S. passport holders traveling to Australia for tourism or business purposes for less than 90 days can obtain an [Electronic Travel Authority \(ETA\)](#). The ETA is an electronic label-free visa and can be obtained at the [ETA website](#) for a small service fee. Airlines and many travel agents in the United States are also able to apply for ETAs on behalf of travelers.

If you overstay your ETA or any other visa, even for short periods, you may be subject to exclusion, detention, and removal by the [Australian Department of Immigration and Border Protection](#) (DIBP).

If you are, travelling on a valid U.S. [ePassport](#) (a passport that contains an electronic chip) and are 16 years of age or older, you are eligible to use Australia's automated border processing system, [SmartGate](#), upon arrival in Australia. There is no additional enrollment process or fee to participate in SmartGate. Visit the [SmartGate](#) website for more information and for a list of participating airports in Australia.

Visit the [Embassy of Australia](#) website for the most current visa information.

TRANSPORTATION & VENUE ACCESS

How many badges will I receive and how to do I obtain them?

Exhibitor entry to LAND FORCES 2021 requires all personnel to be issued with an Exhibitor Badge. Exhibitor Badges are valid from September 3-6, 2018 including designated Exhibitor Set-up and Exhibitor pack-down time. Exhibitor Badges should be allocated to the attending staff who require access over the set-up and pack-down times and early entry on the days of the event.

STAND SIZE	NUMBER OF EXHIBITOR BADGES
Less than 6sqm	2
6sqm-8sqm	3
9sqm-17sqm	5
18sqm	7
19sqm-54sqm	10
55sqm-143sqm	15
144sqm & above	20

How do I obtain Visitor Passes?

Trade visitors must complete a Registration Form prior to admission into the Exhibition and only those related to the industry will be permitted. Persons under 16 years will not be admitted into the exhibition.

What services are offered in the USA Partnership Pavilion?

Coming soon!

Is WiFi available?

Wireless connectivity is provided throughout the Adelaide Convention Centre. Limited free Wi-Fi is available and is suitable for web browsing and emails.

Which security measures are in place?

To gain access to the Venue during bump-in and bump-out of the exhibition, all persons (including all exhibitors) are required to successfully complete the BCEC Online Safety Induction (<https://www.linksafe.com.au/bcec-visitor/>) as well as the Land Forces Accreditation which can be accessed through the relevant Online Portal.

Official photographic identification (passport, driver's license, defense ID etc.) is necessary and must be carried with you at all times while attending LAND FORCES 2021.

During the bump-in and bump-out of events, there is a large amount of vehicle movement, particularly on the Loading Docks, which can make it a hazardous workplace for pedestrians. Therefore, all pedestrians must exercise extreme caution, always wear high-visibility clothing, never assume the forklift operator has seen them and only enter the Loading Dock area if absolutely necessary and authorized to do so. Pedestrian walkways (marked in yellow and Maroon stripes) must be utilized at all times to access the exhibition halls and back of house areas.

What do I do in an emergency?

In the case of an emergency of any type, notify event security or contact the BCEC Security Department. The Emergency (in-house) contact number is '8'. If dialing from a mobile phone or external phone, the number is 3308 3035.

Evacuation Alarm

The Evacuation Alarm is designed to notify all occupants that immediate evacuation is necessary. The evacuation tone consists of a series of whooping sounds (whoop, whoop, whoop).

On hearing the evacuation tone all persons should proceed immediately to the nearest emergency exit and proceed to the closest emergency assembly point. The BCEC assembly point is located on the grass area on the corner of Merivale and Glenelg streets
